

**Cerberus 173W LCD 16:9
Full HD 1920 x 1080**

SERIES

PDD3-F20173W

Everyone knows that 2 heads are better 1, but what if you had 4 instead? You might have seen or heard of our Hydra-Lerna (215W HD) Quad Head Monitor system and though "WOW, THATS BIG, does it come in a smaller size?" The answer is Yes. Introducing our Hydra-Cerberus (173W HD) Quad Head Monitor system. Up to four Full HD displays that fold down into a 3U rack space, at only 20" deep and 30Lbs, it is perfect for your next Transit case adventure, new lear jet or mobile command center. With all its options and enhancements like Optically Bonded lenses, High Bright backlight or touch capability, we can uniquely customize one to your exact requirments. Give one of our Sales Engineers a call and lets configure yours using our Monitor Building Blocks (MBB) configurator today.
