MMR-U238xN

When resolution is everything, we don't compromise. Our rugged MMR 4k Panels let you take your desktop with you. With single, dual, and triple monitor configurations, the MMR-U (Ultra Series) sets the new standard in rugged Displays and Monitor Systems. It features native 4k panels that can be high-brightness to over 1000 NITS, optically bonded, and configured with P-CAP Touchscreens. This on-the-go monitoring solution is a must for on-location go-getters. With V-Mount and Pole Mount battery solutions, and customizable I/O options including SDI, HDMI, Mini Display Port, built in kickstand, lightstand mounts, and dual battery solutions is only a small part of the expandable accessories and options available in this unit. Whether you're shooting your next feature film in Alaska, collecting drone footage in the Amazon Jungle, or mapping the Gobi Desert and can't wait to get to basecamp or your editing studio to see your results in true 4k. Our MMR-U will become your go-to tool on every job.

DITHD: THE INDUSTRY LEADER IN MULTI-HEAD DISPLAY SOLUTIONS

FEATURES

- A** LED Back Lit LCD With Lens Enhancement
- B** Comes with V-Mount and Pole Mount Battery Plates
- C** Unified OSD Button Board
- D** I/O Ports Splash and Dust Cover
- E** Integrated Kick Stand
- F** Integrated Audio Speakers
- G** Oversized Handle
- H** Bolt On Lightstand Mount
- I** Heavy Duty Field Replaceable Torque Hinges

Why Choose The MMR-U?

- Multi-Head HYDRA Design
- Rugged All Aluminum Welded Construction
- Innovative Unified OSD Control
- Comes with both V-Mount and Pole Mount Battery cradles
- True 4K Panel Resolution
- 4P XLR 12VDC Power Inlet Port
- Comes with Splash Proof and Dust Proof Port Covers
- Comes with Storm Style Carrying Case
